Done by Rodger and Hammerstein "Cinderella" is a tuneful and colorful piece and is to be presented at Willowcrest School, Mokena, by the Singing Meteors of the upper grades, under the direction of Miss Sharon Connolly. ## Trikena Camp Set July 10-14

At a salad luncheon on Wednesday, May 3, at St. Peter's United Church, Frankfort, mothers of girl scouts and brownies gathered to discuss the up coming day camp, which will be held July 10-14 at Van Horn Woods, Mokena, starting at 9:00 a.m. and ending at 3 p.m.

A committee of volunteers to serve, plan and carry out the program are as follows: Mrs. Lee Gericke, director; Mrs. Ernest Taylor, co-director; Mrs. Ralph Snow, business manager; Mrs. Robert Matteo, recruiter; Mrs. John Lavezzi, buyer; Mrs. Robert Shryock, Asst. buyer; Mrs. Edward Chaldek, equipment; Mrs. James Ott, Asst. equip.; Mrs. Ray Harmon, Site and shelter; Mrs. Lyman Teague, health and safety, and Mrs. Edward Townsend, advisor.

Registration cards and a call for help went out for mothers in all the Trikena Neighborhoods last March. There are five towns represented. These are Mokena, New Lenox, Lincoln Estates, Arbury Hills, and Frankfort. There are 415 girl scouts in this area that may attend day camp.

At the present time, forty mothers have agreed to help, so none of the girls were refused day camp, but the council cannot take any more girls because there wouldn't be enough mothers for ex-

tras. This includes the committee and the women who will work in the nursery provided to take care of younger children of helpers.

During the day camp period, the girls will learn how the pioneer lived, find out what nature is all about and at the same time, build

a little confidence in themselves in the out-of-doors. The Three training sessions scheduled included the all day session on the site, May 10, at Van Horn Woods, Mokena.

Anyone wishing more information may call Mrs. Lee Gericke, at 469-5311.

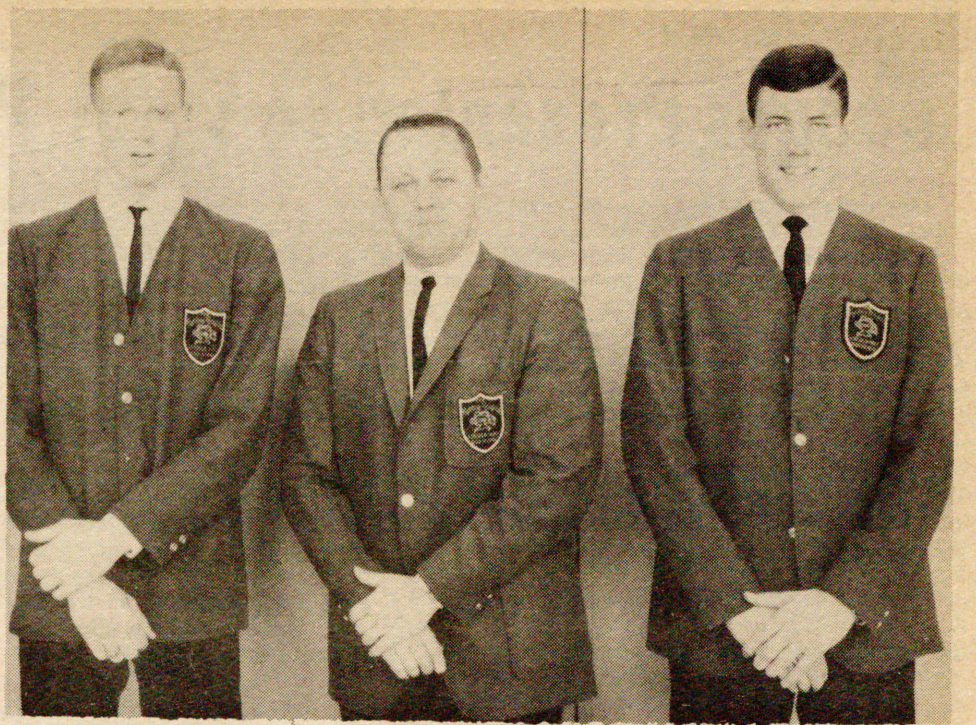

PREPARING FOR THE Annual Spring concert to be held at Lincoln-Way High School, Friday evening, May 12, is Nathan Roesener of Mokena, left, also Saxophone player, accompanied by Randy Kummer, assistant band director at L-W.

The concert to be held in the courtyard adjacent to the all-purpose room of the school, will start at 8:00 p.m., and refreshments will be served during intermission.

Proceeds from this concert will go toward the financing of the band's tour to Denver, Colo. in June. In case of inclement weather, the concert will be held in the auditorium.

ARBOR DAY ceremonies conducted at Carpenter Street School were climaxed by the planting of a honey locust tree by fifth grade pupils. The tree was a gift of the Mokena Garden Club. Left to right are: Fred Guendling (with the shovel); Mrs. Gordon Holleman, representing the Garden Club; Karen Nieman, Connie Kreml, Tom Homerding, and Gene H. Morrall, principal at Willowcrest.

## Grade Schools Seek Substitute Teachers

Grade schools in the Lincoln-Way High School district are not only looking for teachers for the next school year but also seeking substitutes now.

Supt. James Ennis, of Mokena, is in need of several substitutes, he said, and added that New Lenox is in need of some too.

Anyone with a teaching certificate or a college degree (a temporary teaching certificate can be obtained on a college degree) and is interested in teaching is asked by Supt. Ennis to communicate with him at Willowcrest School.

"There may be some re-

tired people who have college degrees or teaching certificates who would like to teach," Ennis said, "and I will be glad to talk with them, or anyone else so qualified who would like to teach."

Supt. Ennis added that he understands the state has approved a program which would permit retired teachers to do a certain amount of teaching without jeopardizing their pensions.

Frankfort also is in need of some teachers and Lincoln-Way High School will have six places to fill by next September.

On Sunday, May 14, the first anniversary of the dedication of its new church building, Immanuel Lutheran Congregation, Mokena, will dedicate the stained glass windows in the sanctuary.

The windows, prepared by the Willet Studios of Philadelphia, Penn., were installed during Holy Week and the congregation viewed them for the first time on Easter Sunday.

The three windows in the chancel symbolize the Holy Trinity, the Triumphant Christ being featured in the window above the altar. The nave windows symbolize the "I Am's" of Jesus.

The windows were donated by organizations and members of the congregation. They will be dedicated during the regular Sunday morning services.

To give interested persons in the community a special opportunity to view the windows the members of the congregation are holding an open house on May 21, the Sunday following the dedication, from 2 to 5 p.m. There will be no service. Visitors are welcome to come at any time during the open house period.

The Junior Choir will sing at the Mother's Day services and will also receive the annual service awards at the second service. The follow-

ing will receive awards: Cheryl Miller (6 years), Bonnie Williamson (5 years), Laura Yunker and Barbara Bernard (4 years), Carol Bernard, Paul Gilmore, Karen Niemann, Shirley Walsh (3 years), DeLynn Yunker, Ruth Ebert (2 years), Elise Dornseif, Bruce Pachol, David Moutrey, Jill Burkhardt (1 year), Beverly and Margie Funick, Karen Nirsche, Penny Pachol, Deborah Farnham (certificates of participation).

ANY boy who missed registering for baseball can still do so by contacting Ray Toppen or Jay Halladay. The boys will be selling decals until May 22. Funds raised from this project are used for league fees and equipment. Norm Patterson is in charge of this project and he has set up an incentive program with Ray Toppen. Any boy selling 5 decals will receive a baseball, 5 more decals for a bat and if he sells 20 decals has a choice of a mitt or a pair of shoes. Thru the generosity of organizations like the Mokena Lions Club and the Mokena V.F.W. Post, along with sponsoring businessmen, we were able to outfit four teams last year. Mokena will participate again this year in the Lincoln Way Baseball League. In last years Shaughnessy Play Off at the end of the season, the Mokena Twins (9-12) finished in third

place and the Pony team (13-14) managed by Joe Grobarcik and Jerry Gorman took the first place Trophy. We hope to see more parents and friends out backing our teams this year.

The Junior Earth Science Club will meet at the home of Mr. James Kocny on Cleveland Rd., on Saturday, May 13 from 2 to 3 p.m. Members are asked to bring a note book and pencil.

# Loyal Americans Have Rights Too, Orenic Tells Students

Circuit Judge Michael A. Orenic, of Joliet, was the speaker at the annual Loyalty Day program at Lincoln - Way High School May 1. The program was sponsored by the Veterans of Foreign Wars posts of New Lenox and Mokena with Harold Dailley, of New Lenox, in charge.

There was music by the Lincoln - Way High School band and mixed chorus and Judge Orenic of the 12th judicial circuit, which is made up of Will, Kankakee and Iroquois counties, was introduced by State's Attorney George E. Sangmeister. The program was broadcast by Radio Station WJOL, of Joliet.

"Loyalty to our nation, its laws, and to those who fight to preserve our liberty is our message for this day," Judge Orenic began, and continued:

"At this very hour International communism celebrates May Day with the dreadful rumble of thousands of marching boots in endless parades of military might. Bayonets glisten in the May sun. Weapons of war, dealers in death, towering missiles poised to let loose the terrible forces that kill millions of people - these are brandished by the insolent leaders of bloody revolution.

"All over America the celebration is by words, not weapons; by assemblies of free people pledging themselves to fight for liberty and freedom, and not mobs incited to bloody revolution by the apostles of hate. Make no mistake, we Americans are hated. We are hated the world over by the tyrants who would enslave men's souls because we stand for liberty and freedom of every man.

"All over America we celebrate loyalty to our country and its laws. Signing the national 1967 proclamation, President Johnson spoke these words: 'I ask every American to take the law into his heart, not his hands. I ask not blind obedience, but enlightened patience. I ask patience, too, for the law, like our times, will and must change. But America's fidelity to law must be eternal. . . .

"The rule of law says that men have rights as individuals and that both the individual and the government are subject to the law. No man is above the law and no man beneath the law. Not even our highest governing officials are above the law. The finest statement of this idea comes from the great Englishman Burke, who said:

"The poorest man may, in his cottage, bid defiance to all the forces of the crown. It may be frail; its roof may shake; the wind may blow thru it; the storms may enter; the rain may enter--but the King of England cannot enter; all his forces dare not cross the threshold of that ruined tenement."

"The rule of man, by contrast, represents tyranny and slavery--no man's liberty or freedom can stand in the way of the dictator's decree. To state it bluntly, the rule of man, as opposed to the rule of law, says: 'I am the law. What I say is the law today, is the law.

What I say is the law tomorrow, is the law. What I say was, or should have been the law yesterday, is the law. You must obey my command, do my bidding, heed my wishes, and if you refuse, to the wall -- and the bullets of the police state."

"Fidel Castro and the state of Cuba are the perfect examples of what happens when the rule of law breaks down and the rule of man takes over. Property is confiscated, the firing squad takes the place of the courtroom, and tyranny takes the place of liberty..... The rule of man breeds corruption and evil; it kills men, women and children who stand in the way of the ruler; in the name of the state and for the good of the state, it suppresses freedom and liberty and enslaves men.

"It is the rule of law that has preserved our form of government, has guarded our personal dignity and liberty, and has guaranteed our rights. The rule law is effective because we in America have developed, to a greater degree than any other nation in the recorded history of the world, a daring conception, a miracle of political insight -- the independent judiciary. . . . We must be loyal to our nation. We must be loyal to our laws and courts; we must be loyal to the men who fight and protect our liberty. . . The laws and the courts protect your liberty and rights and you owe them loyalty, respect and obedience.

"Now there is a certain small noisy group of bushy-haired, bristly-beard, level-clad experts on foreign policy, school and civil rights who would disagree with my statement. They have the right to dissent -- they tell you -- and you can't help but hear their message -- because they demonstrate, disturb the peace, commit trespasses, violate the laws, parade with dirty placards, burn the American flag, abuse the president and high officers of the United States, and insult American soldiers.

"They say -- these bushy haired, bristly-beard, level-clad experts on foreign policy, school and civil rights -- that they are exercising their freedom of speech, their right to dissent.

"Never let it be said we would interfere with any American's rights. But I tell you: the bushy-haired, bristly beard, level-clad experts on foreign policy, schools and civil rights, do not have the right to trample on you and me, on our flag, on our laws and institutions.

"You and I have rights too -- we have the right to be secure in the peaceful enjoyment of our persons and property.

"We have the right to have the offices of the President and other government officials respected.

"We have the right to have our schools run by people we elected in our free democratic elections -- not by bushy-haired, bristly beard, level-clad experts whose total knowledge of education is found on their placards with dirty words.

"We have the right to have our police officers, our

courts and judges respected. We have the right to have our soldiers respected.

"We demand that those who dissent shall respect our rights when they dissent.

"We have the right to be loyal to our country, its flag, its soldiers, without being sneered at by dirty little minds.

"I am proud of the brave men who fight for you and me in the defense of liberty. Liberty is not something which we can selfishly clasp to ourselves. We must share it with all men because so

# Rocket Society Will Stage Launch, May 14

MRS. KATHERINE HEISNER Telephone: 469-5187

The Glen Ellyn Rocket Research Society has set May 14, as the date for a public launch at Frankfort. The Society was invited by the local high school to stage the performance to help raise money for their band. Although no admission fee will be collected, donations for the band will be accepted.

The two "headline stunts" that will be performed are the "rockoon", and the "rockite". A rockite is the launching of a rocket from a kite. Paul Thordarson, 13, constructed the three dimensional kite that is expected to lift the rocket 50 to 100 feet in the air, at which time it will be fired.

A rocoon is the mating of a lighter-than-air craft and a heavier-than-air craft. The nine foot high hot air balloon will boost a small rocket about one hundred feet before the rocket is fired. The Rockoon was designed and built by Tom LaPorte, 14, of 645 Park Blvd. The huge balloon will be inflated, launched and moored at the launch. The actual location of the miniature Cape Kennedy will be released at a later date.

Accompanying the launch will be a talk on rocketry, explaining the model rockets.

A group of members of the Royal Neighbors attended the South Cook County Royal Neighbors convention held at the Methodist Church in Chicago Heights last Tuesday evening. Those who attended were Mrs. Burnett Schram, Mrs. Clara Bennett, Mrs. Charles McManimen.

After spending a week with her daughter, Mr. and Mrs. John Matchett in Rio Linda, Calif., Mrs. Helen Been returned home by plane, Friday April 28.

The annual Woman's Club installation dinner is scheduled for Thursday, evening May 18, at 6:30 p.m. at Jardines. Tickets may be obtained by calling committee members and are \$4.50. Their numbers are 469-5564, 479-5432, 469-5148, 469-5450, 469-5351, 469-2239, 469-5098 or 469-5657.

Those who will be installed are Mrs. Michael McAndrew, Pres.; Mrs. Morris Gilliam, Vice pres.; Mrs. Howard Woodman, Sec.; and Mrs. Nicholas Fisher, Treas. At the last meeting,

long as one man is a slave, we do not have liberty. . . .

"Yes, the dissenters all over the world hate us. We stand for law, for liberty, for loyalty. We are the enemies of the tyrants, the dictators, the arrogant leaders of bloody revolution; we are the enemies of the rule of men.

"Today then, let us pledge loyalty to our nation, its flag, its laws, and to the men and women of America who fight to defend and preserve our inheritance, who fight to bring liberty to all men."

## Disaster Seminar

Representatives from the Orland Park Village Board, police and fire departments are scheduled to attend the meeting at Niles May 17 for a discussion of plans to follow in the event of disaster.

Orland Park trustees also are interested in developing an improved warning system, especially relative to tornados. In several communities where tornados have struck the residents had little, if any, warning.

The weather bureau, it was pointed out, usually is able to send out warnings in advance of severe storms but sometimes it misses--probably due to poor communications or delay by ob-

servers in reporting conditions, it was pointed out. At the Niles meeting one of the panel members will be a meteorologist. Another will be Col. Aaron Lazar, Illinois civil defense director. Also on the panel will be William Morris, superintendent of Illinois State Police and Sgt. Tim McCarthy, public information officer of Indiana State Police. Two members who have had a first hand contact with disaster will be Mayor Fred Dumke, of Oak Lawn, and Mayor William Schuldt of Lake Zurich.

The meeting at Niles is scheduled to begin at 9 a.m. and is scheduled to run until 4:00 in the afternoon.

The Homemakers Extension Association will hold its annual meeting on Monday, May 15, from 9:30 a.m. to 3 p.m. at the New Lenox Methodist Church.

## LWV Outlines Plans It Has For State

"Only as each citizen believes in self-government so strongly that he is willing to make a personal effort to use political power can self-government become a reality. To spread this faith the League of Women Voters was born. For this it lives." This quotation typifies the existence of the League of Women Voters.

Armed with a four-point plan for state legislative proposals, the Illinois League of Women Voters ended their 33d convention of 500 delegates at the Edgewater Beach hotel. Protection of the individual's civil rights, as listed in the plan, calls for a campaign for equal housing and equal employment opportunities. A new state constitution proposal calls for study of legislative and executive articles, a new revenue article, annual session for the general assembly, use of short ballots and election only of policy-making officials, improved and clarified election laws and procedures, and continued protection of the 1962 judicial amendment. Support of improved local, regional and statewide welfare services by Illinois state agencies serving children and their families. Study of the structure of local government to determine needed changes, and the interrelationship of state and local governments and their overlapping functions.

Delegates showed tremendous enthusiasm when informed that the State Senate had voted 50 - 0 to put a call for constitutional convention on the November, 1968 ballot. The league has a 20-year history of fighting for such a convention for Illinois.

Mayor Richard J. Daley greeted the convention and praised the League for local and state work on the revenue article, welfare services, freedom of residence, and more equitable legislative

representation. Delegates to the convention from the Palos - Orland League were Mrs. Peter Van Dyke, 13011 S. 82nd Ct., Palos Park; Mrs. Don Fairchild, 12318 90th Ave., Palos Park; Mrs. Donald Maue, 11290 W. 158th St., Oland Park; Mrs. Harry Hagedorn, 15031 Highland Ave., Orland Park, and Mrs. Frank Adamski, 12302 S. 68th Ct., Palos Heights.

## Prison Inmates Art Exhibit Is Success

Some 5,500 persons took advantage of the sunshine and warming trend last Sunday to visit the third of a recently inaugurated public art exhibit on the front lawn of Stateville Penitentiary.

The tall spiked steel fence that separates the Administration Building from the public drives and park-like grounds, was used to display the paintings. In all there were approximately 1,000 paintings, the work of 300 inmates.

Strangely enough only one of the group was a professional painter before incarceration. The others were taught by John Hudak, Joliet artist, who understandingly takes considerable pride in the work of his charges.

The paintings were for sale, priced by the artist. There were 492 of the paintings purchased for a total of

\$7,048. There were a number of art dealers among the purchasers, some buying a dozen or more. Prices ranged from \$2.50 to \$100.

Ten per cent of the money realized thru the sale goes into the prisoners welfare fund for the purchase of books and supplies for the various educational programs. The remainder was paid into the accounts of the artists whose works were purchased.

Two such shows were held last year, one in the spring and one in the fall. Warden Frank Pate said another exhibit and sale would be held this year, probably in September.

There were a number of Mokena, New Lenox and Frankfort residents among the visitors at the exhibit last Sunday.

and Mrs. Edward Hartwig, 100 hours.

During the past year individuals contributed more than 11,000 hours of volunteer service to the hospital.

## Barr Would Protect Insured Motorists

William G. Barr from the 41st Representative District says that a Republican measure now before the legislature would provide needed relief for the many innocent victims of insolvent insurance companies.

"I am alarmed at the large number of failures among the so-called 'high risk' automobile insurance companies," said Barr.

Barr explained that insolvent companies cause hardships to their policyholders who lose their protection and are often involved in expensive lawsuits. Furthermore, the general public is endangered when a person's liability coverage becomes voided by a company that becomes insolvent. Since he no longer is covered with liability insurance, likewise, anyone involved in an accident with him is not protected, Barr pointed out.

"Republicans have introduced a bill that would alleviate this unfortunate situation by requiring that every auto insurance policy sold in Illinois must include uninsured motorist coverage," he said. "The definition of uninsured motorist is expanded to include not only motorists who do not carry insurance, but those whose insurance company becomes insolvent."

"This legislation protects those on both sides of the fence," Barr explained. "People holding policies with solid insurance com-

## Sign For Booths

Eleven organizations have signed for booths at the annual Fourth of July Festival to be staged at Mokena by the Mokena Lions Club. The festival will be staged in Mokena Community Park.

Any group still desirous of getting booth space may get in touch with Don Wilson, chairman.

Organizations that have making units or plan to enter a float in the annual parade are to communicate with Normal Robinson, head of the parade committee.

It also was announced that the place of registration for entrants in the queen contest has been changed from the real estate office of Leo Marcoux to the Mokena Pharmacy.

Carnival rides have been booked and it was also announced by Jack Miller, general chairman, that the Illinois Historymobile will be on hand for the days of the festival.

panies will be able to collect damages from their company and will not have to initiate expensive and often fruitless lawsuits."

Barr added that the cost to individual policyholders under the proposed bill would not increase. Present law requires companies to offer uninsured motorist coverage but allows policyholders to reject it. Since over 90 percent of Illinois policyholders have uninsured motorist coverage, the additional cost with the expanded coverage would be negligible.

## Educators Ask \$40 Million Appropriation For Schools

Fifteen South Suburban educational leaders and five area legislators were among a state - wide group in attendance at a May 1 meeting in Springfield to discuss the issue of a sufficient appropriation for the Illinois School Building Commission (ISBC).

The Purpose of local educators' attendance at the meeting was to discuss the acute classroom shortage in certain areas across the state and to offer evidence in support of the need for a \$40 million appropriation for the ISBC for the next biennium.

At the present time, the Governor's budget and the Illinois Budgetary Commission recommendations call for a \$16 million appropriation for ISBC. However, the \$40 million figure was earlier recommended by the School Problems Commission (SPC).

The ISBC is empowered to construct school buildings and classrooms for districts who have exhausted their bonding power and whose residents have approved referendums to pay rental or what is, in essence, repayment of a loan from the Commission. Thus, the ISBC is one if not the only state agency which ultimately recovers the funds it has expended.

Appearing in support of the \$40 million appropriation were the following South

Cook County educational leaders; John Bannes, superintendent, Kirby Elementary District 140 (Tinley Park); Norbert Jerline, superintendent, Orland Elementary District 135; Herman Conrady, superintendent, North Palos Elementary District 117; Ellsworth Bechtloff, superintendent, Palos Community Consolidated Elementary District 118; David Strahorn, superintendent, Hazel Crest Elementary District 152-1/2.

Also, Durward Schuetz, superintendent, Nathan Hale District 171 (Lansing); Lester Crawl, superintendent, Lansing Elementary District 158; Lee Cox, administrative assistant, Bremen High School District 228; William D. Smith, superintendent, Alsip, Hazelgreen and Oak Lawn Elementary District 126; Miss Rosemary Lucas, superintendent, and Stephen Horvath, business manager, Worth Elementary District 127; Elden Finley, superintendent; Chicago Ridge Elementary District 127-1/2; V. Ralph Doshier, superintendent, Bridgeview Elementary District 109; L. Marvin Olmsted, executive director, and Wayne Shiffer, staff member, South Cook County Educational Development Cooperative (SCCEDC).

Area legislators in attendance were; Anthony Scario, Eighth District state representative from Park Forest; Ralph Beezhold, Sixth District state rep-

resentative from South Stickney; George Burditt, Ninth District state representative from LaGrange; Leland Rayson, Ninth District state representative from Tinley Park; and Frank Ozinga, Sixth District state senator from Evergreen Park.

The position taken by South Cook County school administrators is that the recommended \$16 million appropriation will fall far short of financing the 34 applications for building already on file with the Commission for the coming biennium. Of the 34 applications filed, 17 are for districts in South Cook County.

According to William Smith, superintendent of District 126 and member of SCCEDC, current estimates are that only four of the South Cook districts who have filed applications with the Illinois School Building Commission will receive building aid if the \$16 million appropriation is passed by the State Legislature. Only by the appropriation of the SPC recommended figure of \$20 million will the remainder of South Cook districts begin to meet the needs of their rapidly increasing school populations.

# The True Test of Where to Entrust Your Savings...

That test is the strength, solidarity, integrity and reliability of a savings institution. These are the qualities you encounter when you save at Joliet Federal.

The recent increase from \$10,000 to \$15,000 of insurance on savings and loan savings accounts while important, is overshadowed by the demonstrated ability of Joliet Federal to remain strong and secure during times of economic stress. This ability proves the soundness of our 33-year policy of never abandoning conservative, long-term growth for quick, short gains.

We emphasize that insurance of accounts is a plus for savers, but the basic soundness of this association is the true test of where to entrust your savings.

## HAPPY MOTHERS DAY

"Little girls, it is said, are made of sugar and spice and everything nice. By the time all the sugar and spice has worn off, they become mothers and all they have left is everything nice, but that lasts forever.

"Still they are all different. Some mothers are chubby while others are little wisps, thin as an April breeze. Some are freckled and husky. Some are loud and others are mousey. Some are Esquimaux, Democrats, secretaries D.A.R.'s, factory workers, Sioux, socialites, and Red Cross Ladies, but mostly they are just mothers with husbands to clean up after, children to love and spank, and houses to turn into homes.

"Mothers are the people who sweep out the mountain cabins, run the carpet sweepers in Centerville, plug in the vacuum cleaners in Cedar Rapids, and see that the maids tidy up the apartments on Fifth Avenue. Mothers cook, clean, wash, mend, punish, wheedle, improvise, cajole, and make things go twice as far as a man ever could. Children are what they read to, listen for, play with, watch over, think about, pray for, worry with, do without, because of, and brag to the neighbors about.

"A bobby pin and gummed tape are Mother's kit of tools; intuition is her college degree; and a new hat is her Declaration of Independence.

"All Mothers are beautiful when they are young. Then as the years turn into decades, Mother meets another man besides and Dad and this man is Old Father Time. Her fresh beauty changes after she and Father Time get to be good friends. There are little cut lines on her thumb made by the paring knife and the winter winds roughen her cheeks when she hangs out the clothes (even when she uses all those magic creams). She doesn't carry the grocery bags so jauntily as when you were skipping along by her side. And her eyes, once dancing are tired because they have seen so many, many things. Then one day, Mother looks in the mirror and says to herself, 'I am no longer pretty,' and it is a sad and lonely day. Mother is seldom wrong, but she was wrong that time.

"The beauty of mothers is as indestructible as Faith, Hope and Love because mothers are all these things and more.

"Whether she be 18 or 80, Mother is an irreplaceable treasure. None other will ever love you half so well or half so foolishly. None other will be so sure you are right, good and worthy. Of course, sometimes she is wrong, but God loves her for it and keeps her forever in His grace."

## Eagle Nine Opens District Meet

At Lemont Tuesday, May 9, the Carl Sandburg baseball Eagles opened district play against Reavis, a team they beat 4-2 last week to finally snap a four-game losing streak.

Tomorrow (Friday), two of the SWSC best pitchers will oppose each other as Bob Housman, Oak Lawn, and Don Urbanciz, Eagles, take to the Sandburg mound at 4.

The victory over Reavis came behind the four-bit

### Find Fairway Drivers Average About 25 mph

Two weeks ago some residents of Fairway Estates complained to the village board about speeding in that section. The complainants asked that police make a check.

A report on this survey was read to the board Monday night by Trustee Elton Oranger, chairman of the police committee. A check was maintained in Fairways Estates from April 17 thru April 28.

Using radar police checked more than 250 cars and according to their report the average speed for these cars for the period was 25 miles an hour.

## Orland Jr. Womans's Club To Install New Officers At Dinner

The Orland Park Junior Womans Club draws to the end of another successful year with the election of four new officers to lead the club for the next two years. Those who will be installed at the annual spring dinner at the Nielsen Nordic on Wednesday, May 24, will be Mrs. John Furlong, president; Mrs. Allan Sims, first vice president; Mrs. Thomas Charlton, recording secretary, and Mrs. Alex Zabinski, corresponding secretary. Mrs. Sims was elected to a one year term as first vice president when the office was made vacant by the nomination from the floor of Mrs. Furlong as president. Mrs. Furlong was serving on the third District IFWC Junior board as home life chairman which is a two year elected position, however, now that she has been elected president of the Orland Juniors, according to the District by-laws she is ineligible to complete the second year of her term as home life chairman.

The Orland Park Junior Womans Club has invited as guests to their spring dinner, Mrs. Gordon T. Beckley, Illinois Junior Director; Mrs. Thomas Gallice, president, third District IFWC, who will be the installing officer; Mrs. John C. Hutchison, retiring

pitching of senior Len Gorney. "Gorney pitched an excellent game," coach Cliff Eade said. "He struck out nine and walked none." Russ Wegner cleared the loaded bases with a triple for the Eagles' big blow.

As of Monday, May 8, the Eagles league record was 4-4-1. The Eagles still had a mathematical chance to tie for the conference championship.

The losses last week hurt Sandburg's changes. Monday, Rich East beat the Eagles 3-2. Steve Horvath gave up only one earned run, but three Eagle errors hurt the cause.

Housman beat Urbanciz Tuesday 3-2. Keith Pacourek's homer was the big blow for Oak Lawn.

## Sports Jamboree For Boys And Girls To Be At Sandburg June 3

The annual Junior Sports Jamboree, sponsored this year by the Orland - Palos-Worth Junior Chamber of Commerce will be held June 3 at the Sandburg High School track.

president third District IFWC; Mrs. Charles Wach, Northern Region director; Mrs. P.J. Carlino, third District Junior director; Mrs. Earl Fuller, president of Orland Park Woman's Club and Mrs. J.K. Lamb, retiring president of the Orland Park Woman's Club.

Welcoming the guests and club members on behalf of the Orland Juniors will be their retiring president, Mrs. B.J. Bishop, who has served the club for the years 1965 - 1967. Also retiring from office will be Mrs. John Barker, recording secretary and Mrs. Edward Andrew, corresponding secretary. Mrs. Robert McArthur remains on the board as treasurer for one more year.

## Eagles Hopes High In District Meet

Coach Bob Gadt's Sandburg Eagles have high hopes in four events at the district track meet to be run at Bloom Saturday, May 13, by 32 area schools.

First and second places and outstanding times, heights, or distances, can advance an athlete to the final State Meet. The best bets for the Eagles are Tom Pichman, who set a school record time in the low hurdles of 20.2 seconds; 12-foot plus pole vaulter Tom Johnson; miler Ed Zeman (4:46); and two-miler Bill Reeves, (10:20). The 880-yd. relay team of Johnson, John Biddle, Tim Hoffman, and Mike Navarro also has a good chance, Gadt believes.

At the Elmwood Relays last Saturday, the Eagles came in 5th out of 15 teams. Oak Lawn was first. Chuck Jaeger, a junior, broke the

## Oak Lawn Storm Kept Orland Pk. Firemen Busy

The log of the Orland Park Volunteer Fire Department for April shows that it answered 13 calls in the village that month and 17 outside, including an assist to the Oak Lawn department after a tornado had struck.

The Orland department had crews at Oak Lawn from a short time after the twister hit April 21 thru April 24, and then back again from April 27, 28 and 29.

The department handled two house fires, a barn fire, a restaurant fire, three grass fires; responded to six inhalator calls and was called out once to standby until a gas leak was taken care of by the proper crews. In all the department responded to 30 calls. Man hours spent on calls last month totaled 1,141 while the hours on drill amounted to 180.

Entry blanks are available for Orland youngsters at either Center or Orland Park School. Both boys and girls, between 10 and 15 years of age, are eligible.

The Jamboree is sponsored by the Illinois Youth Commission and the Illinois Junior Chamber of Commerce. The Orland - Palos-Worth Junior Chamber was not in existence last year so the local meet was sponsored by the Orland Park Hills and Fairway Home Owners Association, the Orland PTA and the Orland Lions Club.

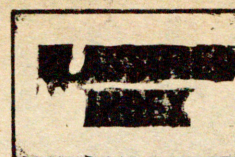

There are no entry fees. The events are divided according to age groups.

The Midgets (10-11) will compete in 50 and 75-yard dashes, long jump, high jump, baseball throw and 220-yard relay.

The Juniors (12-13) have the 50 and 75 yard dashes, a 220-yard dash, long jump, high jump, baseball throw and 440-yard relay.

The Intermediates (14-15) will compete in the 50 yard dash, 100-yard dash, 220-yard dash, the 880 (boys only), long jump, high jump, baseball throw and 440 relay.

There will be three meets, local, sectional and state.

## WANT AD IS "PASSPORT" TO SUMMER IN EUROPE

Dayna Tate, of Atlanta, got interested in working in Europe through a Swiss exchange student at Wake Forest College last year. The Swiss girl offered to get her father to place a Want Ad in a Geneva newspaper, advertising Dayna's service as a summer-time babysitter. The ad got an immediate response from a French-speaking Swiss doctor and his wife who wanted someone to take care of their three children. Dayna spent the summer with the family at their villa on Lake Geneva and on the French Riviera.

99-Automobiles For Sale

\$1639<sup>00</sup>

What's the catch?  
There isn't any.  
\$1639 is the suggested retail price at the port of entry for the VW Sedan.  
The price includes federal excise tax and import duty.

It includes the built-in heater/defroster, windshield washer, electric windshield wipers and dual padded sun visors.

It's the price of the real thing; not a stripped-down economy model.

What else do you have to pay?  
The charge for transporting the car from the port of entry. The dealer delivery charge.

And local sales tax.

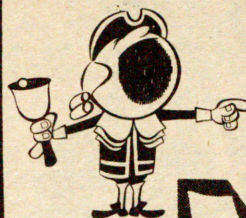

There is one optional that makes a lot of sense: the matching leatherette upholstery, for \$30.00 extra. Nearly everyone orders it because it eliminates the need for slip covers. And that's it.

(Unless, of course, you count the cost of gas and oil it takes you to get here in your present car.)
